Dear Sir/Madam

13th May 2022

Closure of A30 Basingstoke Between Saunders Way & Treetop Avenue Dummer

We write to inform you that we have applied to close the above road between 20:00 and 06:00 overnight for the dates of 13th, 14th and 15th June 2022.

The road closure has been applied for to carry out surfacing tie-ins to the new roundabout under construction.

Advance notice signs will be placed at the junction and a diversion route will be in place via similar A class roads. Access will be provided to Treetop Avenue from the Basingstoke direction.

Please see on the reverse of this letter the official diversion route. All works will be signed and guarded in accordance with current legislation.

We thank you in advance for your patience and co-operation whilst these works are being undertaken, however if you require any further information or clarification, please do not hesitate to contact the undersigned.

Yours faithfully,

James Hope
